6. STATUTORY AUTHORITY

Sole Source

FAR Subpart 6.302-1 and 41 U.S.C. 253(c)(1): When the supplies or services required by the agency are available from the only one responsible source, and no other type of supplies or services will satisfy agency requirements, full and open competition need not be provided for.

7. DEMONSTRATION OF CONTRACTOR OR BRAND UNIQUE QUALIFICATIONS

The Kirk-Othmer Encyclopedia of Chemical Technology provides detailed definitions, descriptions and explanations that factor in research requirements and judicial decision making for the Commission. It is primarily used by analysts in the Chemical Technology division, but also investigators. It is also considered a reference support resource assisting non-specialists by providing detailed orientation over complex elements that factor in their work. We know of no other chemical technology reference publication that provides this unique service, information and utility.
